Dear [[Firstname]],

We noticed you have not yet sent your letter on this issue to help defend your industry. BIA still needs your help! Today is the last day to influence this issue. Today, the County of San Diego will vote on changes to its Dept. of Planning and Land Use, a department that affects every single home built in the county. We want to make sure that processing times are reduced as part of the changes the county makes.

Supervisor Ron Roberts and Bill Horn have proposed some thoughtful recommendations that ensure a solid compromise is reached among all concerned parties. Please take a moment to send the attached letter urging the other Supervisors to agree to the Roberts/Horn recommendations.

To view and send your letter please [[Response]].

Sincerely,

BIA San Diego
